

What you Need to Know About Comprehension

Live interactive webinar with

Dr. Andy Johnson

Professor of Literacy
Minnesota State University, Mankato

<https://minnstate.zoom.us/j/99642630518>

February 25th, 2021

8:00 PM EST, 7:00 PM CST, 5:00 PST

This live interactive webinar will describe ideas for addressing comprehension when working with struggling and reluctant readers at home and at school.

Topics include:

- how the brain creates meaning with print
- eye movement and reading
- word identification and comprehension
- strategies for comprehending information text
- strategies for comprehending narrative text (stories)
- strategies for assessing and documenting comprehension

This free webinar is sponsored by Tutor Chest and Readocity.com
